"Business Day" shall mean every day excluding Saturdays, Sundays and federal holidays.

"Payee" means anyone, including First State Bank, you designate and First State Bank accepts as a recipient of a bill payment.

"Process Date" is the date you select the funds for a bill payment to be withdrawn from your account and the payment to be processed.

"Financial Institution", "we," "us," and "our" are used to refer to First State Bank, the depository institution that holds one or more accounts accessed by the Bill Payment service.

"You" or "your" means each person who is authorized to use the Bill Payment service.

How to Set up Payees/Payments

To begin using the service, complete Bill Payment enrollment through Online Banking. If you want to add a new payee, use the "Add a Payee" option under the "Payments" tab on the Bill Payment website or speak to a service representative. You may add a new payment to a Payee, only if the Payee is on your authorized list of payees, and by accessing the service and entering the appropriate information. Most other additions, deletions, or changes can be made in writing or by using the Bill Payment service. We reserve the right to refuse the designation of a Payee for any reason. Each Payee accepted by us will be assigned a payee code. You may pay any payee you wish in the United States. We are not responsible if a bill payment cannot be made due to incomplete, incorrect, or outdated information provided by you regarding a Payee or if you attempt to pay a Payee that is not on your Authorized Payee list.

The Bill Payment Process

Single Payments A single payment will be processed on the Business Day that you designate as the payment's Process Date, provided the payment is submitted prior to the daily cut-off time on that date. The daily cut-off time for bill payments is currently 2:00 pm Central time. A single payment submitted after the cut-off time on the designated Process Date will be processed on the following Business Day. If you designate a non-Business Day (generally weekends and certain holidays) as the payment's Process Date, the payment will be processed on the first Business Day following the designated Process Date.

Recurring Payments

When a recurring payment is processed, it is automatically rescheduled by the system. Based upon your selected frequency settings for the payment, a Process Date is calculated for the next occurrence of the payment. If the calculated Process Date is a non-Business Day (generally weekends and certain holidays), it is adjusted based upon the following rules:

If the recurring payment's "Pay Before" option is selected, the Process Date for the new occurrence of the payment is adjusted to the first Business Day prior to the calculated Process Date. If the recurring payment's "Pay After" option is selected (or if the "Pay Before" option is not available), the Process Date for the new occurrence of the payment is adjusted to the first business date after the calculated Process Date. Note: If your frequency settings for the recurring payment specify the 29th, 30th, or 31st as a particular day of the month for processing and that day does not exist in the month of the calculated Process Date, then the last calendar day of that month is used as the calculated Process Date.

For Single and Recurring Payments, the system will calculate the Estimated Arrival Date of your payment. This is only an estimate, so please allow ample time for each bill payment to reach the Payee. Any bill payment can be changed or canceled, provided you access the Bill Pay Service prior to the cut-off time on the Business Day prior to the Business Day the bill payment is going to be initiated. You agree to have available and collected funds on deposit in the account you designate in amounts sufficient to pay for all bill payments requested, as well as, any other payment obligations you have to us. We reserve the right, without liability, to reject or reverse a bill payment if you fail to comply with this requirement or any other terms of this Agreement. If you do not have sufficient funds in the Account and we have not exercised our right to reverse or reject a bill payment, you agree to pay for such payment obligations on demand. You further agree that we, at our option, may charge any of your accounts with us to cover such payment obligations.

We reserve the right to change the cut-off time. You will receive notice if we make a change to the cut-off time.

Payment Methods

We reserve the right to select the method in which we remit your bill payment to the Payee. Bill payments may be processed by check or by Electronic Fund Transfer (EFT). Please see the Electronic Fund Transfers Disclosure Statement you received when you opened your account, if applicable, which discloses important information concerning your rights and obligations.

Change in Terms and Amendments
